All fees collected support the training programs of Shore Medical Center, not the American Heart Association. The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA.

Heartsaver First Aid CPR and AED (5 Hour Class) **Course Date:** _____
\$85 course fee Includes Manual 15-1018 **Start: 9:00 AM End: 3:00 PM**
Completion Card valid for 2 years provided Discuss manual pick-up (preferred).

Heartsaver First Aid CPR AED is a classroom, video-based, instructor-led course that teaches students critical skills needed to respond to and manage a first aid, choking or sudden cardiac arrest emergency in the first few minutes until emergency medical services (EMS) arrives. Students learn skills such as how to treat bleeding, sprains, broken bones, shock and other first aid emergencies. This course also teaches adult CPR and AED use.

- Adult first aid (first aid basics, medical emergencies and injury emergencies)
- Infant CPR with mask
- Adult/Child CPR with mask
- Adult/Child AED
